

Outdoor ceremonies are performed in our Garden Gazebo while your guests look on from the adjoining Pavilion. Beautiful landscaping surrounds this area with panoramic views of wooded hillsides. This picturesque setting obviously makes for great photo opportunities.

All ceremonies at the Inne include complete setup of the space, along with all your ceremony accessories (unity candle, programs, etc.). We use white chairs for guest seating in the Garden Pavilion. We even include an aisle runner (one less thing you have to remember).

Your ceremony coordinator will assist you in planning every aspect of your ceremony. In the weeks and months leading up to your wedding day, she will meet with you to create the vision for your ceremony. She will then be on site for your rehearsal and ceremony to ensure everything flows exactly as you wish.

Ceremony Fee: \$495.

Ceremony fee is included in Indoor/Outdoor Package per person price.
